

2011 POPULATION AND HOUSING CENSUS

Kunene Regional Tables Based on 4th Delimitation

2011 POPULATION AND HOUSING CENSUS

Kunene Regional tables based on 4th Delimitation

Basic tables with estimated figures

Foreword

The first Population and Housing Census in an independent Namibia was conducted in 1991. Since then, a Census has been undertaken every ten years, and the 2011 Population and Housing Census marks Namibia's third census since independence in 1990. The Census is demonstrative of the Namibia Statistics Agency's (NSA) commitment to providing relevant and quality statistics to support decision making, policy formulation and monitoring of development programmes.

The regional tables present the results of the 2011 Namibia Population and Housing Census for the Kunene Region. The regional tables compliment the regional profiles report to accommodate the changes introduced by the 4th Delimitation Commission. The information provided include total population, fertility, mortality, education, labour force and households condition/characteristics for the region and constituencies. Indicators not provided herein, can be provide to users upon request.

We are hopeful that the users will find its contents useful for their decision making and planning purposes, including business investments. Our commitment is to ensure that all statistics required by our users are readily available.

1.1 Background

Kunene (also known as *Kaokoland*) is one of the fourteen regions of Namibia that was affected by the 4th Delimitation Commission and announced in the Government Gazette of August 2013, its capital is Opuwo. The region's name is derived from Kunene River which forms the region's northern border with Angola. The Namibia Statistics Agency saw the need of producing additional tables to accommodate the changes introduced by the 4th Delimitation Commission. The information provided include total population, fertility, mortality, education, labour force and households condition/characteristics for the region.

Kunene region comprises of six (7) constituencies, namely: Epupa, Kamanjab, Khorixas, Opuwo Rural, Opuwo Urban, Outjo and Sesfontein.

2.1 Total population by sex and single years, Kunene
